ARKILA REQUIREMENTS

To ensure a smooth and trusted collaboration, **ARKILA** has set a standard list of requirements for individuals or businesses who wish to become official partners. These requirements help us maintain the quality of our services and build strong, reliable partnerships. Interested partners must comply with the following documents and conditions before being officially onboarded into the **ARKILA** system.

DOCUMENTS	DETAILS
Business Permit (PDF Format)	Allow the partnership to legally operate in a city or municipality, ensuring compliance with local laws.
DTI Permit (PDF Format)	Secures a unique business name for the partnership, helping establish its brand identity and legal recognition.
Baranggay Permit (PDF Format)	Confirms the partnership’s compliance with community regulations, often necessary for obtaining a full business permit.
